

Die Sauren Goldmedaillen

Die Liste der Goldmedaillengewinner umfasst in diesem Jahr 216 Fondsmanager, darunter 28 mit der Höchstnote von drei Goldmedaillen.

Die Sauren Goldmedaillen exklusiv in FONDS professionell

Die Bewertung im Einzelnen:

Drei Goldmedaillen: Investmentprozess, Philosophie wie auch die Vergangenheits-erfolge sind überzeugend. Die Analyse zeigt, dass es höchst wahrscheinlich ist, dass der Fondsmanager seinen Vergleichsindex auch künftig deutlich übertreffen wird.

Zwei Goldmedaillen: Die Chancen, dass der Fondsmanager künftig bessere Ergebnisse erzielen wird als der Index, werden als sehr günstig beurteilt.

Eine Goldmedaille: Die Leistung des Fondsmanagers überzeugt. Die Chancen einer Outperformance in der Zukunft sind günstig.
